### Pilgrims of Hope

DICASTERY FOR EVANGELIZATION  
SECTION FOR FUNDAMENTAL  
QUESTIONS REGARDING  
EVANGELIZATION IN THE WORLD

The cross of Christ is the hope that cannot ever be abandoned because we are always in need of it, especially in the most difficult moments.

The figures represent humanity from the four corners of the World. They are embracing each other to illustrate the solidarity between the peoples, as the first holds onto the cross.

The Cross, in the shape of a sail, is transformed into an anchor that imposes itself over the waves in motion. A universal symbol of Hope.

The rough sea is a reminder of the difficulties of the pilgrimage of life. Often, personal events as well as those of the world, press on us more intensely, demanding a greater hope.
